Carrot

Rabbits love
carrots.

Potato

Potatoes grow in the ground
and we must cook them
before we eat them. They
are used to make chips.

Tomato

Some people say
that tomato is a
fruit too.

Onion

It can make
you cry!

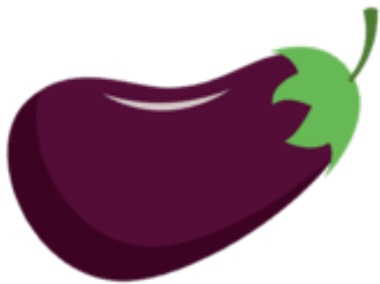

Cabbage

It looks like a
ball of leaves.

Peas

They are small,
round and green.

Eggplant

It's long and purple.
People in the UK
call it Aubergine

Lettuce

We eat it in in
salads.

Cucumber

It's long and
grreen.

Corn

We can make
popcorn from this.

Cauliflower

It looks like
broccoli but
white.

Pepper

It can be red,
green or yellow.

Broccoli

It looks like a
small tree.
